

Join us as an exhibitor at the ICSHMO Societal Engagement Side Event!

Exhibitors are invited to the 14th International Conference on Southern Hemisphere Meteorology and Oceanography (ICSHMO 2025) societal engagement event. This is your chance to connect with scientists, community leaders and industry experts as we explore how climate, oceans, and weather shape our lives.

2nd April 2025

5:00 PM – 8:00 PM

 Cape Town International Convention Centre (CTICC), South Africa

 Register your exhibition for free [here](#) & secure your spot.

What We're Looking For:

Climate & Ocean Impact Projects

Projects addressing climate and oceanic challenges

Interactive Exhibits

Engaging displays using technology for education.

Community Initiatives

Local efforts for sustainability and environmental awareness.

Science & Policy Collaborations

Partnerships between society, scientists and policymakers.
